

Registration and Entry

Registration for entry to the School may be made on the enclosed form. Children may be registered to start at the School at the beginning of either the Autumn Term, Spring Term or Summer Term following their third birthday, but registration does not guarantee a place in the School.

SEN

It is our aim to include and make provision for children of different levels of ability, of different cultural and religious backgrounds and a wide variety of interests.

We include statemented children, on assessment of their needs and have two SENCOs who liaise with the relevant authorities with regard to all our SEN children. The school follows the SEN code of practice.

We welcome children who have English as an additional language (EAL). We give appropriate support when needed.

Dallington School complies with all applicable anti-discrimination legislation in the UK.

Safeguarding children in education & Policy documents

Dallington recognises that schools have a duty to safeguard and to promote the welfare of their children. The School may need to share information and collaborate with other agencies should concerns arise regarding a child's welfare. Procedures relating to this are laid out in our Child Protection Policy.

The School has effective strategies to promote good behaviour and address any signs of bullying. Procedures relating to this are laid out in our Anti-bullying Policy.

All policy documents including Curriculum, Behaviour, Anti-Bullying, Child Protection, Equal Opportunities, Health & Safety of Pupils on Off-site Visits, Special Educational Needs, Parental Grievance and Complaints Policy & Procedure are available on request from the school office.

Number of complaints registered last year – 0.
