

Natasha O'Sullivan

In which year did you leave Dallington and from which year group?

2005 – Year 6

How long were you at Dallington and what did you do next?

From nursery to year 6! Then went to Francis Holland School in Regent's park.

What is your current role or school placement?

Studying medicine at Brighton and Sussex Medical school (in my third year)

In what way did your time at Dallington influence your education and career progression?

Gave me a positive attitude to life with which I embrace every challenge and view everything as a process to learn from and not to shy away with the fear of failure.

What is your fondest memory of Dallington?

Building a bridge from water bottles and walking over it at Clerkenwell design festival (or something to that effect!)

What is your message to current Dallington pupils?

Enjoy every moment and turn up to school with a smile because it will whizz by in a flash!

What is your proudest achievement?

Getting the distinction prize in my first, and also second year at medical school.
